

UStP Guest Print Program: 'True Grit' with Bronwyn Rees

Union St Printmakers @ Stone & Quoin Studio, 6 Manton St, Hindmarsh SA

Tues 24 & Wed 25 April 2018
10am-4pm

True Grit is a two-day drypoint and monoprinting workshop with guest printmaker **Bronwyn Rees**, artist in residence at the **Firestation Print Studio**. The workshop involves the use of grit – sand, dirt, gravel and sandpaper – with a variety of adhesives and mediums to hold it all together on acrylic.

On the first day of the workshop, Bronwyn will teach you to make plates with fascinating surfaces that are marvelously versatile. The second day of the workshop will be spent printing the plates in as many ways as possible. Demonstrations and printing to include chine-collé, a la poupée, and multi-plate printing for the more experienced printmakers. The workshop can be either gentle, relaxing creation or a festival of the fast and furious, whichever approach best suits you.

Bronwyn is based in Victoria and runs workshops around Australia. She exhibits regularly and her works are held in public and private collections around Australia.
